Sustainable Landscaping, A Healthier Garden and Yard

Saturday, July 10, 10 a.m. - noon

Stewardship and Sustainability Series

Learn some easy and practical ways to make your landscape sustainable from Master Gardener Doug Mandel. This broad-ranging program will cover many topics, and give you practical methods on improving urban water quality and conservation, using safe pest management practices, recycling and composting, reducing energy, and encouraging wildlife in urban areas – all while still having a beautiful landscape! You will be offered a chance to participate in a special survey being conducted by the Statewide UC Master Gardener Program.

Members and Turtle Bay volunteers FREE, nonmembers \$3

Meet at Arboretum & Botanical Gardens Office - 1135 Arboretum Drive (Next to Greenhouse in Nursery)
